Independent Accountant's Compilation Report

Board of Commissioners Housing Authority of Duson Duson, Louisiana

We have compiled the accompanying financial statements of the Housing Authority of Duson, Louisiana as of and for the year ended March 31, 2012, which collectively comprise the Housing Authority of Duson, Louisiana's basic financial statements as listed in the table of contents. We have not audited or reviewed the accompanying financial statements and, accordingly, do not express an opinion or provide any assurance about whether the financial statements are in accordance with accounting principles generally accepted in the United States of America.

The management of the Housing Authority of Duson, Louisiana is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist management in presenting financial information in the form of financial statements without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements.

Management has omitted the management's discussion and analysis information that is required to be presented for purposes of additional analysis. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and accordingly, we do not express an opinion or provide any assurance on such supplementary information.

We have also performed agreed-upon procedures for the year ended March 31, 2012, all included therein.

MARCH 31, 2012

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES The accompanying financial statements of the Housing Authority of the City of Duson have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

A. REPORTING ENTITY Housing Authorities are chartered as public corporations under the laws (LSA – R.S. 40.391) of the State of Louisiana for the purpose of providing safe and sanitary dwellings accommodations. This creation was contingent upon the local governing body of the city or parish declaring a need for the Housing Authority to function in such city or parish. The Housing Authority is governed by a five member Board of Commissioners. The members, appointed by the Honorable Mayor of the City of Duson, serve staggered multi-year terms.

The Housing Authority has the following units:

PHA Owned Housing FW 2166 30 units

GASB Statement 14 establishes criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Housing Authority is considered a primary government, since it is a special purpose government that has a separate governing body, is legally separate, and is fiscally independent of other state or local governments. As used in GASB Statement 14, fiscally independent means that the Housing Authority may, without the approval or consent of another governmental entity, determine or modify its own budget, levy its own taxes or set rates or charges, and issue bonded debt with HUD approval.

The Housing Authority is a related organization of the City of Duson since the City of Duson appoints a voting majority of the Housing Authority's governing board. The City of Duson is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the City of Duson. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the City of Duson.

Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Housing Authority for financial reporting purposes. The basic criteria for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability, which includes:

MARCH 31, 2012

- 1) Appointing a voting majority of an organization's governing body, and:
 - a) The ability of the government to impose its will on that organization and/or
 - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the government.
- 2) Organizations for which the government does not appoint a voting majority but are fiscally dependent on the government.
- 3) Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the previous criteria, the Housing Authority has determined that there are no component units that should be considered as part of the Housing Authority reporting entity.

B. FUNDS The accounts of the Housing Authority are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements.

The transactions of the Housing Authority are reported in a proprietary enterprise fund. The general fund accounts for the transactions of the Public Housing Low Rent program and the Capital Fund program.

C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

PROPRIETARY FUNDS Proprietary funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the balance sheet. The Housing Authority has elected, pursuant to GASB Statement No. 20, to apply all GASB pronouncements and only FASB pronouncements issued before November 30, 1989.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. According to the Authority's policy, governmental operating grants are considered operating revenues. The other principal operating revenues of the Housing Authority are rent and maintenance charges to residents and operating fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

MARCH 31, 2012

D. CASH AND CASH EQUIVALENTS Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits, of less than ninety days, and cash with fiscal agent. Under state law, the Housing Authority may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

On the Statement of Cash Flows, cash and cash equivalents, end of year, is \$52,607. This is comprised of cash and cash equivalents of \$49,489 and restricted assets – cash of \$3,118, on the statement of net assets.

E. INVESTMENTS Investments are limited to L.S.-R.S. 33:2955 and the Housing Authority investment policy. If the original maturities of investments exceed 90 days, they are classified as investments; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The investments are reflected at quoted market prices except for the following which are required/permitted as per GASB Statement No. 31:

Investments in <u>nonparticipating</u> interest-earning contracts, such as nonnegotiable certificates of deposit with redemption terms that do not consider market rates, are reported using a cost-based measure.

The Housing Authority reported at amortized cost money market investments <u>participating</u> interest-earning investment contracts that have a remaining maturity at time of purchase of one year or less.

Definitions:

Interest-earning investment contract include time deposits with financial institutions (such as certificates of deposit), repurchase agreements, and guaranteed investment contracts.

Money market investments are short-term, highly liquid debt instruments that include U.S. Treasury obligations.

F. REVENUE RECOGNITION Revenues and other governmental fund financial resource increments are recognized in the accounting period in which they become susceptible to accrual – that is, when they become *measurable* and *available* to the finance expenditures of the fiscal period. "Available" is determined as collectible within the 12 months of the fiscal year or soon enough thereafter to be used in pay liabilities of the current period.

MARCH 31, 2012

G. INVENTORY All purchased inventory items are valued at cost using the first-in, first-out method. Inventory is recorded using the purchase method. At year end, the amount of inventory is recorded for external financial reporting.

H. PREPAID ITEMS Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

I. CAPITAL ASSETS Capital assets are recorded at historical cost and depreciated over their estimated useful lives (excluding salvage value). The capitalization threshold is \$500. Donated capital assets are recorded at their estimated fair value at the date of donation. Estimated useful live is management's estimate of how long the asset is expected to meet service demands. Straight line depreciation is used based on the following estimated useful lives:

Site improvements	15 years
Buildings	33 years
Building improvements	15 years
Furniture and equipment	5-7 years
Computers	3 years

- **J. DEFERRED REVENUES** The Housing Authority reports deferred revenues on its balance sheet. Deferred revenues arise when resources are received by the Housing Authority before it has a legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for deferred revenue is removed from the balance sheet and the revenue is recognized.
- **K. COMPENSATED ABSENCES** The Housing Authority follows Louisiana Civil Service regulations for accumulated annual and sick leave. Employees may accumulate up to three hundred hours of annual leave which may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date.
- **L. POST EMPLOYMENT BENEFITS** The Authority does not recognize or pay any post employment benefits. Accordingly, Governmental Accounting Standards Board (GASB) Statement Number 45 does not apply.
- M. RESTRICTED NET ASSETS Net assets are reported as restricted when constraints placed on net asset use are either:

MARCH 31, 2012

Externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted net assets are available.

N. USE OF ESTIMATES The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other financing sources and uses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – DEPOSITS AND INVESTMENTS The Housing Authority has reported their investments with a maturity at time of purchase of one year or less at amortized cost. Investments with maturity at time of purchase of greater than one year are presented at fair value at March 31, 2012. Deposits are stated at cost, which approximates fair value.

Interest Rate Risk: The Housing Authority's policy does not address interest rate risk.

Credit Rate Risk: GASB 40 disclosure of credit rate risk does not apply, since the Authority's only investments are certificates of deposit.

Custodial Credit Risk: The Authority's policy requires the financial institution to cover the first \$250,000 of deposits with FDIC coverage. Any excess deposits must be collateralized with securities held by the pledging financial institution, with a fair market value that equals or exceeds the amount of excess deposits.

Restricted Cash: \$3,118 is restricted in the General Fund for security deposits.

At March 31, 2012, the Housing Authority's carrying amount of deposits was \$52,482 and the bank balance was \$53,353. Petty cash consists of \$125. The entire bank balance was covered by FDIC Insurance.

MARCH 31, 2012

NOTE 3 – ACCOUNTS RECEIVABLE The receivables at March 31, 2012, are as follows:

Class of Receivables	
Local sources:	
Tenants	\$ 503

NOTE 5 – ACCOUNTS PAYABLE The payables at March 31, 2012 are as follows:

Vendors	\$ 3,175
Payroll taxes &	
Retirement withheld	2,066
Utilities	1,084
Total	\$ 6,325

NOTE 6 – COMPENSATED ABSENCES At March 31, 2012, employees of the Housing Authority have accumulated and vested \$3,931 of employee leave computed in accordance with GASB, Codification Section C60.

NOTE 7 – LONG-TERM OBLIGATIONS The following is a summary of the long-term obligation transactions for the year ended March 31, 2012.

	C	ompensated Absences
Balance, beginning Additions	\$	2,249 1,682
Balance, ending		3,931
Amounts due in one year	\$	2,621

NOTE 8 – RETIREMENT SYSTEM The Housing Authority does not have a retirement plan.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

<u>Litigation</u> The Housing Authority is not presently involved in litigation.

<u>Grant Disallowances</u> The Housing Authority participates in a number of federally assisted grant programs. The programs are subject to compliance audits under the single audit approach. Such audits could lead to requests for reimbursement by the grantor agency for expenditures disallowed under terms of the grants. Housing Authority management believes that the amount of disallowance, if any, which may arise from future audits will not be material.

MARCH 31, 2012

<u>Construction Projects</u> There are certain renovation or construction projects in progress at March 31, 2012. These include modernizing rental units. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred.

<u>Risk Management</u> The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Housing Authority carries commercial insurance.

The Housing Authority transfers risk of loss by participating in a public entity risk pool and contracting with a commercial insurance carrier for all major categories of exposed risk.

This includes coverage of property, general liability, public liability, auto, bond, and worker's compensation. The risk pool and insurance contracted are obligated to meet settlements up to the maximum coverage, after the PHA's premiums and deductions are met.

Louisiana State law prohibits one governmental entity assessing another entity. If the Louisiana Housing Council Group Self Insured Fund (LHC) risk pool is unable to meet its obligations, the risk to the Housing Authority is only that it s own claim would be unpaid.

Coverage has not significantly changed from the previous year and settlements for each of the past three years have not exceeded insurance coverage.

NOTE 10 – ECONOMIC DEPENDENCE The Department of Housing and Urban Development provided \$167,975 to the Housing Authority, which represents approximately 85% of the Housing Authority's total revenue and capital contributions for the year

NOTE 11 – SUBSEQUENT EVENTS Management has evaluated events and transactions subsequent to the statement of net assets sheet date through the date of the independent auditor's report (the date the financial statements were available to be issued) for potential recognition or disclosure in the financial statements. Management has not identified any items requiring recognition or disclosure.

Independent Accountant's Report on Applying Agreed-Upon Procedures

Board of Commissioners Housing Authority of Duson Duson, Louisiana

We have performed the procedures included in the Louisiana Government Audit Guide and enumerated below, which were agreed to by the management of Housing Authority of the City of Duson, Louisiana, solely to assist the users in evaluating management's assertions about compliance with certain laws and regulations during the year ended March 31, 2012. This agreed-upon procedures engagement was performed in accordance with standards established by the American Institute of Certified Public Accountants and applicable standards of Government Auditing Standards. The sufficiency of these procedures is solely the responsibility of the specified users of the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Public Rid Law

1. Select all expenditures made during the year for material and supplies exceeding \$20,000, or public works exceeding \$100,000, and determine whether such purchases were made in accordance with LSA-RS 38:2211-2251 (the public bid law).

There were no expenditures made during the year for materials and supplies exceeding \$20,000. We examined documentation which indicated that this expenditure had been properly advertised and accepted in accordance with the provisions of LAS-RS 38:2211-2251.

Code of Ethics for Public Officials and Public Employees

2. Obtain from management a list of the immediate family members of each board member as defined by LSA-RS 42:1101-1124 (the code of ethics), and a list of outside business interests of all board members and employees, as well as their immediate families.

Management provided us with the required list including the noted information.

3. Obtain from management a listing of all employees paid during the period under examination.

Management provided us with the required list.

4. Determine whether any of those employees included in the listing obtained from management in agreed-upon procedure (3) were also included on the listing obtained from management in agreed-upon procedure (2) as immediate family members.

None of the employees included on the list of employees provided by management [agreed-upon procedure (3)] appeared on the list provided by management in agreed-upon procedure (2).

Budgeting

5. Obtained a copy of the legally adopted budget and all amendments.

Management provided us with a copy of the original budget. There were no amendments to the budget during the year.

6. Trace the budget adoption and amendments to the minute book.

We traced the adoption of the original budget to the minutes of a meeting held on December 17, 2011 which indicated that the budget had been adopted by the commissioners by unanimous consensus. No amendments were made to the budget during the year.

7. Compare the revenues and expenditures of the final budget to actual revenues and expenditures to determine if actual revenues failed to meet budgeted revenues by 5% or more or if actual expenditures exceed budgeted amounts by 5% or more.

We compared the revenues and expenditures of the final budget to actual revenues and expenditures. Actual revenues were within 5% of budgeted amounts. Expenditures for the year did not exceed budgeted amounts by more than 5%.

Accounting and Reporting

- 8. Randomly select a minimum of six (6) disbursements made during the period under examination and:
 - a) trace payments to supporting documentation as to proper amount and payee;

We examined supporting documentation for each of the twenty selected disbursements (excluding payroll that was also reviewed) and found that payment was for the proper amount and made to the correct payee.

- b) determine if payments were properly coded to the correct fund and general ledger account; and All of the payments were properly coded to the correct fund and general ledger account.
- c) determine whether payments received approval from proper authorities.

Inspection documentation supporting each of the twenty selected disbursements indicated approvals from the Executive Director and the chairman of the Board of Commissioners.

Meetings

9. Examine evidence indicating that agendas for meetings recorded in the minute book were posted or advertised as required by LSA-RS 42:1 through 42:12 (the open meetings law). The PHA is publishing the proceedings of its meetings in a local newspaper.

The Housing Authority of the City of Duson is only required to post a notice of each meeting and the accompanying agenda on the door of the PHA's office building. Although management has asserted that such documents were properly posted, we could find no evidence supporting such assertion other than an unmarked copy of the notices and agendas.

Debt

10. Examine bank deposits for the period under examination to determine whether any such deposits appear to be proceeds of bank loans, bonds or like indebtedness.

We inspected copies of all bank deposit slips for the period under examination and noted no deposits which appeared to be proceeds of bank loans, bonds or like indebtedness.

Advances and Bonuses

11. Examine payroll records and minutes for the year to determine whether any payments have been made to employees which may constitute bonuses, advances or gifts.

A reading of the minutes of the Authority for the year indicated no approval for the payments noted. We also inspected payroll records for the year and noted no instances which would indicate payments to employees which would constitute bonuses, advances, or gifts.

Our prior year report, dated September 19, 2011, did not include any comments or unresolved matters.

We were not engaged to, and did not, perform an examination, the objective of which would be the expression of an opinion on management's assertions. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for use of management of the Housing Authority and the Legislative Auditor, State of Louisiana, and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
